InterGlobe Air Transport Appointed as the Exclusive General Sales Agent for Aeromexico in India

National, 7 May 2026: InterGlobe Air Transport, a leading airline and travel management company, has been appointed as the exclusive General Sales Agent (GSA) by Aeromexico for the entire territory of India. This collaboration aims to provide travellers and trade partners with streamlined access to the airline's network and strengthen its presence across the country.

As Mexico's global airline, Aeromexico is renowned for its exceptional connectivity and service across North America, South America, Europe, and Asia. The airline currently operates an expansive global network covering 48 domestic and 55 international destinations across 24 countries, including major global hubs such as Buenos Aires, São Paulo, Paris, Rome, Tokyo, Amsterdam, Montreal, Toronto, and Vancouver. To support its growth plans in India, InterGlobe Air Transport will provide comprehensive sales and service support, including passenger management, reservations, ticketing, and dedicated contact center operations.

A primary focus will be on building brand awareness and generating demand within the Indian outbound sector. Leveraging decades of aviation experience and a strong nationwide presence, InterGlobe Air Transport will make Aeromexico's global connectivity more accessible to Indian travellers, businesses, and tour operators alike. Passengers can expect a superior experience through seamless booking processes and comprehensive customer support.

JB Singh, Director, InterGlobe Air Transport, said, "Aeromexico's appointment marks an exciting new chapter for us. Their growing global footprint, especially across the Americas, opens valuable opportunities for Indian travellers and businesses. This collaboration reflects our commitment to expanding high-quality global travel options for our customers. Our focus will be on building strong awareness, simplifying access to their network, and creating meaningful demand for travel across the region."
